2023 Annual Report

- In total there are currently 138 individuals on the internal wait list in Arrowhead West CDDO catchment area. 68 of the individuals are age 18 and older.
- There are 70 individuals on the comprehensive wait list who are under age 18; therefore, personal care services (PCS) would be the only type of funding available to them. Several over the age of 18 would also only choose PCS if funding was offered (rather than agency residential services).
- Currently individuals that have been on the wait list through 5/14/2013 have been offered funding by KDADS. Individuals placed on the wait list 5/15/2013 or after are still waiting. Therefore, individuals continue to wait over **10 years** to come off the state’s wait list!
- 19 individuals from the Arrowhead West CDDO catchment area were removed from the wait list in 2023.
 - Voluntary removal (moved out of the catchment area or individuals no longer needing services) – 4 individuals
 - HCBS funding offered and accepted – 8 individuals
 - HCBS funding offered and declined – 2 individuals
 - HCBS funding offered but unable to locate – 3 individuals
 - HCBS funding offered but financially ineligible – 1 individual
 - HCBS funded through crisis funding – 1 individual
- 22 individuals were added to the wait list in this CDDO area in 2023.
